## A message from the Director of Children's Services

Welcome to Bedford Borough Council's School Transfer Booklet. This booklet is for parents / carers of children who are due to transfer to a different school in September 2018.

As the Director of Children's Services I want to make sure that you have the necessary information to enable you to make an informed decision regarding your preference for your child's education.

This booklet provides you with important information to help you through the process of applying for a school place. It contains information about the schools in the area and explains how and when places are allocated.

You can apply for a school place using the online application system, in accordance with the information in this booklet. Applying online is a quick, safe and efficient way of making your application and offers many benefits which are outlined in this booklet. Whilst we recommend that you apply online you may, if you prefer, complete a paper application form.

I hope that you will find the information in this booklet helpful. If you require any further guidance, support or advice please contact us on the School Admissions general enquiries line telephone **(01234) 718120**.

May I take this opportunity to wish your child every success at his or her new school.

A handwritten signature in black ink, appearing to read 'C Foster', written in a cursive style.

Colin Foster  
Director of Children's Services

## Introduction

Legislation requires you to make an application to the local authority in which you live. Therefore, if you live in Bedford Borough you must list all of your preferred schools using the Bedford Borough application process even if the schools are within another local authority.

It is important, therefore, that you apply for a school place using the appropriate application form or online in accordance with the information contained in this booklet.

Don't forget that you can apply for a school place using the online application facility in accordance with the following directions:

**Residents of Bedford Borough** – only you can apply online at [www.bedford.gov.uk/onlineadmissions](http://www.bedford.gov.uk/onlineadmissions)

**Residents of other local authorities** – you must apply using the online system of your own local authority.

Please make the time to visit the schools before you apply so that you have all the information you need. We hope you find the information in this booklet useful. Please let us have any views you might have about this booklet by writing to: School Admissions Service, Borough Hall, Cauldwell Street, Bedford MK42 9AP.

## Who to Contact

### The School Admissions Service

We are based at Borough Hall in Bedford. If you have any enquiries about the transfer process, please contact our School Admissions general enquiries line on:

**Tel: (01234) 718120**

**Fax: (01234) 228846 Email: [admissions@bedford.gov.uk](mailto:admissions@bedford.gov.uk)**

**If you would like details of schools in other authorities please contact that Local Authority directly.**

Contact details for school admission teams in neighbouring authorities	
<b>Cambridgeshire</b> Tel: 0345 045 1370 <a href="mailto:admissions@cambridgeshire.gov.uk">admissions@cambridgeshire.gov.uk</a>	<b>Central Bedfordshire</b> Tel: 0300 300 8037 <a href="mailto:admissions@centralbedfordshire.gov.uk">admissions@centralbedfordshire.gov.uk</a>
<b>Milton Keynes</b> Tel: (01908) 253338 <a href="mailto:secondaryadmissions@milton-keynes.gov.uk">secondaryadmissions@milton-keynes.gov.uk</a>	<b>Northamptonshire</b> Tel: 0300 126 1000 <a href="mailto:admissions@northamptonshire.gov.uk">admissions@northamptonshire.gov.uk</a>

## The transfer process timetable

If you have applied online, you will receive an email to let you know the outcome of the application.

If you have not applied online, we will post a letter to you on this day.

**It is very important to apply by the date shown, so that we have time to deal properly with all the applications before we notify you of the outcome.**

If you live in the area covered by Bedford Borough Council but your child does not attend a Bedford Borough school, please apply online or return your form to:  
**School Admissions Service, Borough Hall, Cauldwell Street, Bedford, MK42 9AP.**

**If you live outside the Bedford Borough Council area and are applying for a place at a Bedford Borough school, you must apply to your own Local Authority.**

\* Only children who attend Broadmead and Wootton Lower Schools will receive this information.

# Applying for a school place

## Which schools can I apply for?

Most parents will want their child to attend their local school but you have the right to express a preference for another school or schools. You may wish to apply for your catchment school (if applicable), as well. This will usually mean that, if a place is not available at your preferred school, you will still have priority for a place at your catchment area school, although it is not a guarantee of a place.

If you do not ask for a place at your catchment school, it could result in your child attending a school some distance from your home. You would be responsible for transporting your child to that school.

You can find out which school serves your local area by logging onto the Bedford Borough Council website:

**[www.bedford.gov.uk/catchmentareas](http://www.bedford.gov.uk/catchmentareas)**

If you do not have access to the internet, please contact us.

## What you should consider when expressing a preference for a school

At the back of this booklet, you will find information about every school. The “key” explains the difference between the various types of school. For each school you will find:

- the address
- the name of the headteacher
- the telephone number
- the fax number
- the email address
- the website address (where applicable)
- the category of the school and the age range
- the number on roll for January 2017
- the admissions number (how many pupils the school can admit)

As well as this basic information you will also find

- the admissions criteria
- the designated measuring point used in the event of the school being oversubscribed
- the number of applications received and the number of places offered for admission in September 2017
- at which point on the list of admissions criteria the last place was offered for admission in September 2017

## Information about individual schools

We ask the headteacher of every school to arrange an open evening for parents / carers of children who are due to transfer to their next phase of school. The open evenings will help you to decide which school is best for your child. You will find the dates of the open evenings later in this booklet.

The headteacher and other school staff will be at the open evening and will answer questions about their school. The school must also publish information on its website.

This information will tell you things you need to know about the school, such as:

- what subjects the school curriculum covers
- the aims of the school
- what the school community is like
- public examination results (if appropriate)
- inspection reports by the Office for Standards in Education (OFSTED)

Performance tables and examination results can also be helpful when choosing a school, but they have limitations. Be careful when comparing the performance of individual schools based only on these results – they don't give you the full picture.

If you would like a copy of Bedford Borough Key Stage 2 results or Key Stage 3 results, or details of public examination results please contact the Department for Education, telephone **0370 000 2288**. Alternatively, the information is available from the DfE website or the Bedford Borough website. These websites also contain other useful information and statistics about schools, as does the OFSTED website.

Department for Education [www.gov.uk/dfes](http://www.gov.uk/dfes)

OFSTED [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

Bedford Borough [www.bedford.gov.uk](http://www.bedford.gov.uk)

**When using the Bedford Borough website, the “Education and Learning” section has a range of information about Education in Bedford Borough.**

### **Applying for a Bedford Borough school if you live outside Bedford Borough**

If you live outside the Bedford Borough area and you wish to apply for a place in a Bedford Borough school, you must apply to your own Local Authority. Your own Local Authority will inform us if you have put any Bedford Borough school on their application form. We will not be able to process any applications we receive on the Bedford Borough application form from out of area parents.

**Even if your Local Authority accepts more than three preferences, please note that we will only accept a maximum of three schools.**

### **Oversubscription**

The number of children choosing a particular school varies from year to year and different schools have different admission numbers.

In some cases the number of places offered could be more than the admission number. This does not mean that there will be a similar number of places in September 2018. Please refer to the admission limit for each school.

You may find this information helpful when you are considering which school to request as your preferred school. But be aware that subscription levels may vary from year to year.

**A school may be oversubscribed one year but be undersubscribed the next. Likewise, the fact that a school was undersubscribed in September 2017 does not mean that you will definitely get a place there in September 2018.**

## **Admission criteria**

Admission criteria are the rules we apply when there are more applications for places than places available. They explain the order in which places are allocated. All schools have published admission criteria.

We have standard criteria which some schools use. You will find our standard admission criteria for community and voluntary controlled schools below.

Some schools have additions to our standard criteria and you will find details of these later in this booklet. This will help you to judge whether you meet the criteria for admission to a particular school. It will also help you when you make your application.

### **Local Authority standard admission criteria**

The Local Authority will apply the following criteria (in the rank order shown) to decide the order in which places will be allocated when there are more requests from parents than the number of places available:

1. All 'looked after' children or children who were previously 'looked after' (see definitions);
2. Pupils living in the catchment area with siblings at the school (see definition of sibling);
3. Other pupils living in the catchment area;
4. Other siblings (see definition);
5. Any other children

### **Notes**

1. If applying these criteria results in there being more children with an equal right to admission to the school than the number of available places, the tie break will be the distance the pupil lives from the school, measured in a straight line, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. The Local Authority will measure the distance from the address point of the pupil's home to a point on the school site agreed with the governing body of the school (published in the 'Starting School' and 'School Transfer' admissions booklets). The Local Authority will not give priority within each criterion to children who meet other criteria.
2. If a pupil moves into the catchment area outside the normal admissions round (or after the allocation process has begun) it may be more difficult to offer a place at the catchment area school if this would mean exceeding the admission number at the school. In this case, a place will normally be offered at the next nearest school or academy which caters for pupils of the same age and has places available.
3. Pupils who have a Statement of Special Educational Needs or an EHCP are required to be admitted to the school which is named on the statement, even if the school is full. Pupils identified for admission through the Fair Access Protocol will also be admitted even if the school is full.

## Definitions

### 'Looked after' children

A 'looked after' child is a child in the care of a local authority as defined by Section 22 of the Children Act 1989. In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to a school.

### Previously 'looked after' children

A previously 'looked after' child is a child who was 'looked after', but ceased to be so because they were adopted or became subject to a child arrangements order or a special guardianship order.

### Sibling

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister where foster care has been arranged by a Local Authority or the child of the parent's / carer's partner, and in every case, the child should be living at the same address. The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission.

### Home Address

A pupil's home address will be regarded as the address of the parent / carer with parental responsibility with whom the child normally lives. This will not usually include grandparents, aunts or uncles. Where a child spends time with parents / carers at more than one address, the address used to allocate a school place will be the one at which the child spends the majority of the school week (Mondays to Fridays) including nights. If there is any query on the home address this will be checked against original official documentation e.g. council tax bill, a recent utility bill (gas, electricity or water), a rental agreement, child benefit annual statement or family tax credit information.

## How to complete your application

The law says that every parent must have the opportunity to express a preference for the school or schools they want their child to go to. We will send you an information sheet which explains how you can do this. We would strongly recommend that you apply online at [www.bedford.gov.uk/onlineadmissions](http://www.bedford.gov.uk/onlineadmissions) (residents of Bedford Borough only).

You should complete only one application and list the schools you want your child to attend in order of preference. If you apply online please **do not** submit a paper application. If you do submit more than one application, we will process the most recent one.

The following notes and the notes on the form are designed to help you make an application. Please read them carefully and answer all the relevant questions, giving further details where the application asks for them. If you are not sure how to apply, please ring us.

### Pupil's Details

**Please complete your child's personal details in all the boxes in this section.**

If you move after submitting your application, you should notify us as soon as possible providing appropriate evidence, but please be aware that we cannot guarantee to take account of your new address if the allocation process has begun.

Although we are not asking all parent / carers to provide evidence that they have parental responsibility or to provide proof of address, we reserve the right to carry out random checks and you may, therefore, be asked to provide this information at a later date. If you do not provide this information when asked it may not be possible to process your application.

**Please note:**

**We will withdraw the offer of a place if we find that you have given fraudulent or misleading information that has effectively denied a place to a child with a stronger claim – for example if you claim to live in the catchment area when you don't.**

## **School Preferences**

**This section allows you to express a preference for the school or schools you want your child to go to even if this school is in another Local Authority area.**

Do **not** include independent schools in this section.

**If you are applying for a school place and do not live within the Bedford Borough Council area, you must contact your own local authority to apply.**

Most parents will want their child to attend the catchment area school (if applicable), but you have the right to express a preference for another school or more than one school. We will consider your child for each of the schools you put on the application. If there is a place for your child at more than one of those schools, we will offer you a place at the school you have identified as your highest priority. This may not apply if your child has an Education, Health and Care Plan (see Other Information).

You may wish to put your catchment area school (if applicable) as one of your preferences. This will usually mean that you still have priority for a place at the catchment area school if there isn't a place for your child at your preferred school or schools. If you are not sure which is your catchment area school, please check our website:

[www.bedford.gov.uk/catchmentareas](http://www.bedford.gov.uk/catchmentareas)

If you do not have access to the internet please contact us.

The school information sheets at the back of this booklet will tell you what type of school your catchment area school is and the "key" also gives definitions of the various types of school.

Some schools do not serve a local catchment area.

Admission to these schools is in accordance with the schools' own admission criteria.

**The law says that admission authorities must consider admitting children whose parents have expressed a preference for a school before they consider those whose parents have not expressed any preference.**

**Because of this, if you do not make a request for your catchment area school according to the published admission arrangements it could result in a place not being available at that school. It could also affect your entitlement to free transport (for more details go to [www.bedford.gov.uk/schooltransport](http://www.bedford.gov.uk/schooltransport)).**

## Other children

In some cases your child may have a greater chance of being offered a place at a school if a sibling<sup>\*\*\*</sup> already goes to that school, but this is not a guarantee of a place. **If, at the time of admission you will have another child still going to one of the schools you have nominated, please put their name, date of birth and the school they attend, in the boxes provided.** We will check this information with the school(s) concerned. If you do not provide this information or this section becomes relevant to you after the allocation process is completed, we cannot guarantee to take it into account as part of your application.

## Other Information

### i) Children with an Education, Health and Care Plan

It would be helpful if you could complete this section if your child has an Education, Health and Care Plan or if your child is currently going through the EHC needs assessment process. The arrangements for admitting a child with an EHC plan are different to those for children who do not have an EHC plan. The Children and Families Act 2014 says that we must consult with the Headteacher and Governing Body of the school before we can name a particular school in an EHC plan. This process is co-ordinated by the Special Educational Needs and Disability (SEND) Team.

The local authority must name your nominated school in the EHC plan provided that:

- the school is suitable for the child's age, ability and aptitude and the Special Educational Needs as set out in Section B of the EHC Plan;
- the child's attendance is not incompatible with the efficient education of other children in the school, and
- the placement is an efficient use of the LA's resources

The SEND Team will let you know by 15 February the name of the school which they propose to name on your child's Education, Health and Care Plan.

If you have any queries or concerns about the process, please contact the SEND Team, tel: **(01234) 228375**, where someone will be pleased to help you.

If your child's Special Educational Needs are supported at Additional Support level within the school, your preferences for their school place will be treated in the same way as all other applications.

If you have concerns about your child's Special Educational Needs when they transfer to a new school, you can talk in confidence with the Bedford Borough SEND Advice Service by telephone on **(01234) 276267**

### ii) "Looked after" children / Previously "looked after" children

"Looked after" children<sup>\*\*</sup> / previously "looked after" children<sup>\*\*\*\*</sup> have the highest priority for admission. If your child is "looked after" / previously "looked after" you must provide evidence with your application. We will check this information with the appropriate authority.

\*\*See definition of 'Looked After' Children

\*\*\*See definition of 'Sibling'

\*\*\*\*See definition of Previously 'Looked After' Children

### iii) **Parent / Carer who works at the school**

Some schools give a higher priority to children who have a parent who works at the school. But this does not guarantee a place.

If any of the schools which you have nominated have this as part of their admission criteria and you meet that criterion, you must include the details on your application. We will check this information with the school(s) concerned. If you do not provide this information, or this section becomes relevant to you after the allocation process is completed, there will be no guarantee of a place at the school(s) concerned.

### iv) **Exceptional Medical Grounds**

Some schools have this as a criteria, therefore if your child has a genuine and longstanding medical condition this may give him or her a greater chance of a place at your preferred school(s). It is not, however, a guarantee of a place. We will consider your application on medical grounds where there are **exceptional** medical reasons which make it **essential** for your child to attend a particular school and where the preferred school is the **only** school locally that could meet your child's needs. In recent years very few applications have met this criterion. With the application, you must submit a medical report from your child's doctor or consultant, setting out valid medical reasons why admission to the school is essential and the difficulties that would be caused if your child had to attend another school. We reserve the right to seek further medical opinion, with parental consent, in order to determine whether it is essential for a child to be admitted to the preferred school on medical grounds. We cannot consider admission on medical grounds where grounds relate to the medical condition of a parent, brother or sister, other relative or childminder.

### **Additional Information (e.g. Feeder schools)**

Some schools give a higher priority to children from outside the catchment area who go to one of the feeder schools. If a school has a feeder school criterion, the individual admission criteria for that school will identify this (see school admission criteria). **But this does not guarantee a place**, even though out of catchment area children attending feeder schools may have been offered places in the past.

If any of the schools you nominate have feeder schools as part of their admission criteria, and your child attends one of these schools, you must provide the details so that we can take it into account when we consider your application. Please note that some schools impose a time limit for attendance at a feeder school.

If your child is admitted to a feeder school after the allocation process is completed there will be no guarantee of a place at the school(s) concerned.

### **Declaration**

**Please complete this part of the application.**

## Religious / Faith Grounds

Some schools provide religious education that follows the teaching of a particular faith. We have a Catholic Secondary Academy, St Thomas More Catholic Teaching School in Bedford Borough, but there may be faith schools in other areas you may wish to apply for. Being a practising member of the appropriate faith, or having been baptised into that faith, may give your child a greater chance of a place at that school according to the school's admission criteria. But it does not always guarantee you a place. Being a practising member of another faith may also give your child a greater chance of a place at that school but, again, it is not a guarantee.

**If you are applying for a place at a school on religious or faith grounds, it is important to provide all the information the form asks for.**

If you are applying for a place on religious grounds at St Thomas More Catholic Teaching School because your child has been baptised, you must provide their baptismal certificate. In addition if you are a practising member of a religion or faith you must make sure that your priest, minister or faith leader completes the religious declaration on the upper school transfer form or the secondary school transfer form. Without this information the governing body will not be able to consider your application on religious grounds.

If you live in Bedford Borough and your preferred school is in another Local Authority you will need to ask them how to provide this information.

If you live in another Local Authority's area you can obtain the "Confirmation of Religious Affiliation" form from our website [www.bedford.gov.uk/admissions](http://www.bedford.gov.uk/admissions) and click on "How to apply – School Place"

**If you are applying online you can obtain the form to confirm religious affiliation at [www.bedford.gov.uk/onlineadmissions](http://www.bedford.gov.uk/onlineadmissions)**

### Data Protection

We will hold the personal details supplied on the application form for the purposes of processing your application for a school place. We will share the information internally within the Council with relevant officers and schools and may also share it with other relevant Local Authorities. We will safeguard your personal details and will not divulge them to any other individuals or organisations for any other purposes.

## Who allocates places?

### Community and Voluntary Controlled schools

The Local Authority is the admission authority for community and voluntary controlled schools. This means that we allocate places at these schools. The headteachers of these schools **are not** authorised to offer your child a place. If the headteacher of one of these schools indicates that he or she will offer your child a place, you **cannot** assume that this will be so. You must have a letter from **us** offering your child a place before your child can attend one of these schools. If your child has an Education, Health and Care Plan please see Other Information.

## **Academy, Foundation and Voluntary Aided schools**

The admission authority for an academy, a foundation or a voluntary aided school is its Governing Body. This means that the school governors decide who to admit to these schools. However, we write to parents on the school governors' behalf to offer school places. You must have a letter from **us** offering your child a place before your child can start at one of these schools. A letter from the school is not a valid offer. If your child has an Education Health and Care Plan please see Other Information.

## **How are places allocated?**

All our schools operate an equal preference system for allocating places. This means that there are two stages in the allocation process.

### **Stage 1**

All first, second and third preference applications are considered equally against the schools' admission criteria. At this stage there is no distinction between first, second and third preference applications. For example, if the school has 130 places and there are 145 first, second and third preference applications, all applications are considered equally against the admission criteria.

### **Stage 2**

If we are able to offer a place at more than one school, the school ranked higher by the parent (i.e: first or second preference on the application form or on-line application) will be offered and any lower ranking offers will be withdrawn. For example, a parent's first and third preferences might both qualify for a place, in which case the parent would be offered their first preference, leaving the place at the third preference school available for another pupil.

### **Offers**

Occasionally the last child we offer a place to at a school is the first child from a family with multiple births. If this happens at a community or voluntary controlled school, we will offer a place to the subsequent child / children even if it takes the school over their admission number.

If this happens at an academy, foundation or voluntary aided school we would ask the school to admit the subsequent child / children.

Pupils living in the Bedford Borough Council area who have not been allocated a place at any of their preferred schools will be allocated a place at the nearest Bedford Borough school to their home address with vacancies.

### **Fair Access Protocol**

The Local Authority has a Fair Access Protocol which has been agreed with all schools. The protocol applies in exceptional cases where the circumstances of the child mean that the normal admission procedure cannot ensure that the child will be admitted to a suitable school as quickly as possible.

In most cases children will be admitted to school in accordance with the arrangements set out in this booklet or in accordance with the in year admission arrangements (see separate guidance notes for parents). However, for some children without a school place, for example children permanently excluded from a school, the normal admission process may not result in a suitable school placement for the child.

Children identified for a school place through the Fair Access Protocol will take precedence over other children on a waiting list for admission and may be admitted to a school even if that school is full.

## Late applications

The closing date for applications in the normal admissions round is **31 October 2017 for upper/secondary schools** and **15 January 2018 for middle schools**. As far as is reasonably practicable we will accept applications for places in the normal admissions round that arrive late for good reason. If we receive applications late with good reason after the allocation procedure has begun we will consider them if it is practical to do so, but we cannot guarantee to do this.

If we receive applications late with good reason after places have been offered we will prioritise the applications and any waiting list according to the admission criteria of the individual schools and we will offer a place at the highest preference school that has a place available. If all preferred schools are full and the pupil lives in Bedford Borough, a place will generally be offered at the nearest school with places available. However, it may be necessary to make a priority placement available for Bedford Borough children whose application is late for good reason.

After the late application process if there are still children where parents/carers have not expressed a written preference, these children will be allocated a place at the nearest Bedford Borough school to their home address with vacancies.

## How you will hear the result of your application

When we have completed the allocation process, we will email or write to tell you the outcome of your application.

If you have applied online you will receive an email to let you know the outcome of your application. If you have not applied online we will post a letter to you on this day. Please note that we will not be able to give you this information over the telephone. If your child has an Education, Health and Care Plan, the Special Educational Needs and Disability Team will write to you at the appropriate time to tell you the school where your child has a place.

If we are not able to offer you a place at your preferred school or schools, you have the formal right of appeal to an independent Admissions Appeals Panel. We will tell you about the procedure to follow if you want to appeal. Appeals are normally held during the summer term.

If we are not able to offer a place at any of your preferred schools and you live in the Bedford Borough Council area, we will offer your child a place at:

- **the catchment area school, if there are still places available; or**
- **the next nearest Bedford Borough Local Authority school to your child's home address which has places available.**

We will also tell you which other schools still have places available. You will be able to request a place at one of those schools.

However, we will not be able to consider another application for a place at the same school in the same academic year unless there has been a significant change of circumstances relevant to the application.

If your child has an Education, Health and Care Plan, the Admissions Appeals Panel cannot deal with your appeal. If you are unhappy about the school which has been named on the Statement, you should contact the Special Educational Needs and Disability Team, tel: **(01234) 228375**.

## Waiting lists

If we have not been able to offer you a place at your preferred school(s), we will place your child's name on a waiting list which has been prioritised according to the admission criteria for individual schools. If a place becomes available we will contact you, even if you have accepted a place at another school. Your child's position on the waiting list could change if other children are added or removed. We will maintain the waiting lists for community and voluntary controlled schools until the end of the Autumn term 2018/ 31 December 2018. If you wish to remain on the waiting list beyond that time you will need to write to us. If you have been turned down for a place at an academy, foundation or voluntary aided school, their arrangements for maintaining a waiting list may be different.

## Home to school transport

Parents and carers have a legal duty and a responsibility to ensure that their children attend school regularly and to make any necessary arrangements to ensure that they attend.

In certain circumstances Bedford Borough Council has a duty to provide free home to school transport. We arrange school transport for children and young people in Bedford Borough who are eligible for transport under the children's services transport policy. Please note that from September 2017, Bedford Borough Council introduced a new home to school transport policy.

Before applying for a school place, please make sure you read and understand the transport policy information on the Bedford Borough Council website and consider how you will transport your child to school taking into account any potential transport costs.

You can get full details of the transport policy from Customer Services – **Telephone (01234 718004)** or from the Bedford Borough website [www.bedford.gov.uk/schooltransport](http://www.bedford.gov.uk/schooltransport)

## Admission to Other Year Groups

This composite prospectus is published primarily to allow parents to apply for places in schools that have a designated transfer point of entry into Year 5, Year 7 or Year 9.

In addition to these transfer entry points schools can admit children to other year groups, we call these In Year admissions. Here is the link to the appropriate page on our website where you can find out how to apply [www.bedford.gov.uk/inyearadmissions](http://www.bedford.gov.uk/inyearadmissions)

## Schedule of Open Days/Evenings

School Name	Date and time of Open Evening / Day	Intake Year Group
Bedford Academy	14 September 2017 5:30pm – 7:30pm	7

## **Central Bedfordshire schools - Upper and Middle Schools Open Evenings**

This information is provided for those parents / carers whose catchment area middle or upper school is within the Central Bedfordshire Council area. Please visit the Central Bedfordshire website, or contact the School Admissions Service, for information about open evenings for other schools in the Central Bedfordshire Council area.

<b>Upper School</b>	<b>Date and time of Open Evening</b>
<b>Sandy Upper</b>	<b>28 September 2017 5:15pm (yrs 7 &amp; 8)</b> <b>5 October 2017 5:15pm (yr 9)</b>
<b>Middle School</b>	<b>Date and time of Open Evening</b>
<b>Holywell Academy</b>	<b>2 November 2017 6:00pm – 8:00pm</b>

## Schools information sheets - Key

The following pages contain detailed information about our schools to help you to consider which school(s) you would like your child to attend.

KEY	
<b>Academy</b>	Academies are all ability schools established by the Department for Children, Schools and Families and sponsors from business, faith and/or voluntary groups working in partnership with local education partners. The Governing Body is responsible for the admission arrangements. The Government has published proposals to increase the number of schools applying to become Academies. As a result the status of a school may subsequently change from that printed in this booklet.
<b>Community</b>	The Local Authority is responsible for the admission arrangements. Religious Education in community schools follows the Agreed Religious Education Syllabus for the Authority.
<b>Foundation</b>	The Governing Body is responsible for the admission arrangements in a Foundation School. Religious Education in Foundation schools follows the Agreed Religious Education Syllabus for the Authority.
<b>Foundation (Trust)</b>	This is a Foundation school which is supported by a charitable trust. A Trust may include just one school or a group of schools working with external partners to share best practice and to support transition between phases. The Governing Body is responsible for the admission arrangements in a Trust School. Religious Education in Trust schools follows the Agreed Religious Education Syllabus for the Authority.
<b>VA</b>	Voluntary Aided. The Governing Body is responsible for the admission arrangements in a VA school. Religious education follows the teaching of the Church of England (if C of E) or Catholic faith (if Catholic). The Local Authority maintains the school but the governors employ the staff and have wider responsibilities for the upkeep of the building than in a Community or Controlled School.
<b>Admission Number</b>	This represents the number of pupils the school can admit in each year. Some schools have existing students who, as they are already on the school roll, are entitled to move up to the next year group. The admission number published in this booklet is, therefore, the number of students that can be admitted in addition to the existing pupils. These intake years are marked with #. Schools are expected to admit up to that limit during the course of the year, if there are requests for places. Where there are more requests for places than the number of places at that school, we allocate places in order of priority according to the school's admissions criteria. The Year 12 admission number represents the <b>minimum</b> number of external candidates likely to be admitted to the sixth form, in addition to the pupils currently attending the school who wish to continue their education in the sixth form (subject to meeting entry requirements for the course they wish to follow). Applications for admission into Year 12 should be made to the school direct.

<b>NOR 2017</b>	Number on Roll. We have included the roll for January 2017 to show you the likely size of the school.
<b>Designated Measuring point</b>	If applying the admissions criteria results in there being more children with an equal right to admission to the school than the number of available places, the tie break will be the distance the pupil lives from the school, measured in a straight line, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. The Local Authority will measure the distance from the address point of the pupil's home to a point on the school site, agreed with the governing body of the school. This point is the designated measuring point.
<b>Admissions in September 2017</b>	We have included this information as you may find it helpful when considering whether or not places are likely to be available at your preferred school. You should be aware, however, that numbers vary from year to year and the availability of places in September 2017 will not mean that places will be available in September 2018. Likewise, over-subscription in September 2017 will not mean over-subscription in September 2018. Some schools had existing students who, as they are already on the school roll, were entitled to move up to the next year group. The number of place offered was, therefore, in addition to the existing pupils. These intake years are marked with *.
