

Applying For Social Housing

This factsheet is for persons who are looking to apply for social rented housing.

The majority of social rented housing in Bedford is let via the choice based lettings system, My Home Options which is managed by bpha. To apply to join the Housing Register you need to register on the bpha website. Once you have registered with bpha you will be able to apply to join the Housing Register on line. There are however other Housing Associations, who have properties in Bedford, but let these properties via their own housing registers.

As well as applying for the Housing Register, applicants are advised to apply to the following Housing Associations directly.
