Music in Your School

Tell us what's happening!

Each year the Department for Education (DfE) requires Music Hubs across the country to submit a data return showing what music is happening in schools across its designated area.

Information received from schools is collated & sent to the Arts Council who then publish an annual report to the DfE.

Bedford Music Hub is asking all schools to complete the online survey by following the link below, no later than **Friday 28th September 2018**.

Information was sent to schools at the end of last term - please contact Music for Bedford Borough should you require further details. Thank You.
