

Fishing permits 2018/19 Season

Bedford Borough Council 2020 programme is currently looking at ways to simplify the way we work by removing duplication and inefficient systems using digital technology to create more customer focused services, making them easier to access for our residents whilst saving time and money.

The process will mean that as a result of this you will no longer be able to purchase fishing permits directly from the offices of Priory Country Park or Harrold Country Park. Instead please call the follow number 01234 718177 where payment can be taken. A permit will then be issued to you via the post or if you need it urgently this can be collected from Borough Hall.

In the interim period for this year you can obtain a permit from the Country Park Wardens on site however cash payments cannot be taken there. Payments are to be made via payment over the phone and this transaction can be completed at home prior to site permit or anytime Monday to Friday between 09.30am - 4.00pm in company of the Country Park Warden.

If made prior to obtaining permit, then authorisation number /receipt number for payment is required to be obtained.

For additional information please visit Bedford Borough Councils Website for more information.

2018/19 permit prices are as follows:

Day Fishing Permit Cost: Adult £46 or Concession / Junior (under 17) and OAP £19

Day and Night Fishing Permit Cost: Adult £71.50 or Concession / Junior (under 17) and OAP £30

Should you have any general enquires about fishing or our rules please continue to contact our Country Park Wardens. (Please leave a message on their answerphones)
