Section 5: Governance Arrangements

Variations to the EP Scheme

Consideration will be given to potential EP Scheme variations raised by one or more of the representatives on the EP Board. The proposer of a variation should demonstrate how this might contribute to achieving the objectives set out in the EP Plan and current local transport policies. Such requests should be set out in writing and submitted via email to busserviceimprovements@bedford.gov.uk.

On receipt of a valid request for a variation, the Council will reconvene the EP Board, giving at least 14 days' notice for the meeting, to consider the proposed variation. If all Board members present agree the proposed variation, the Council will make the EP Scheme variation, subject to Council approval. Stakeholders not represented at the meeting will be deemed to be abstaining from the decision.

If there is not full agreement of all those present, then the proposed variation will be put to the operator objection mechanism, but with a reduced objection period of 14 days, replacing Part 2 of the Transport Act 2000 section 138L (2) (c). The proposed variation will be advertised on the Council's website and emailed to operators of qualifying local services in the EP Scheme area. If the proposed variation passes the operator objection mechanism, the Council will make the EP Scheme variation, subject to the approval of the Council.

Revocation of EP Scheme

If, for some reason, it becomes necessary for the EP Scheme to be revoked, the EP Board will be reconvened and follow the same process as outlined in the section 'Variations to the Scheme' (noting that the agreement will be for revocation and not variation).

If at any point in the future the EP Scheme area is included in a Bus Franchising Area, the relevant requirements set out in this EP Scheme document will cease to apply from the commencement date of the Franchising Scheme.

Review of EP Scheme

Once the EP Scheme is made, the EP Board will review progress regularly, considering progress towards the targets set out in the BSIP. The EP Scheme will be reviewed following the annual review of the BSIP. This review will be initiated by Bedford Borough Council.
