HIGHWAYS ACT 1980 – SECTION 90G

BEDFORD BOROUGH COUNCIL PROPOSES TO INSTALL TRAFFIC CALMING MEASURES / FEATURES ON A600 HIGH ROAD, COTTON END

Reason for Proposal: This proposal forms part of a planning condition following approval of the construction of a new school in Cotton End. The proposal will involve significant infrastructure improvement works to promote means of sustainable transport between Shortstown and Cotton End. To support the proposed 30mph speed limit on the A600 and to regulate vehicle speeds along this road, it is proposed that horizontal deflection features (chicanes) are installed.

The Locations of the Traffic Calming features (chicanes)

A600 – High Road, Cotton End – Approximately 240 metres south of the entrance to Cardington Sheds / Hangers

A600 – High Road, Cotton End – At the entrance to the pumping station, approximately 240 metres north of the entrance/access to Gorse Farm

Further Details of the proposed signal controlled crossings, a plan and a statement of reasons for proposing to establish the crossings may be examined during normal working hours at Borough Hall, Cauldwell Street, Bedford. These documents are also available on the www.bedford.gov.uk/tro website. The details will be placed on deposit until 6 weeks after the crossings are commissioned or until it is decided not to continue with the proposal. For enquiries concerning this proposal, please contact Ron Yuen, Bedford Borough Council on 01234 718593.

Objections should be sent in writing to Highway Consultations, 4th Floor, Borough Hall, Cauldwell Street, Bedford, MK42 9AP or by email to highway.consultations@bedford.gov.uk stating the grounds on which they are made by 18th January 2018.
