No.	Discussion	Actions
1	Apologies Jo Branson-Budd (JBB), Keith Maidlow (KM), Simon Joynes (SJ)	
2	Scope for external consultant support Discussion and agreement regarding requirements and scope for external legal advice in relation to DCO process.	DS to progress with agreed scope and identified consultant.
3	Traffic Modelling DK presented further information regarding traffic modelling, with data and external support provided by Aecom. DK reiterated concerns held by BBC, and other local authorities along the proposed EWR route, about EWR's traffic modelling data. Discussion regarding broader data EWR have used for mode share modelling, including the bus study completed by EWR in June and July 2026. Agreement to arrange meeting to review scope of further work that requires external consultant support.	DK to review how data is presented. SC to arrange meeting to review scope of work requiring further external support.
4	Issues Tracker Discussion around updated issues tracker provided by EWR: this now reflects the position set out in the Council's response to EWR's non-statutory consultation in Spring 2026.	All to review tracker and feedback with comments for next Governance Board

		meeting (17 th September).
5	Next meeting Thursday 17 th September.
