Also representatives from EWR Co

Meeting minutes:

1. **Welcome and Review of Outstanding Actions:** VQ welcomed attendees and reviewed the actions from the last reset meeting
2. **PPA Agreement and Related Activity:** JBB and VQ provided updates on the status for BBC's revised PPA. JBB added they are meeting someone today for FTE role
3. **Bedford Hospital:** EWR Co presented an update on the Bedford Hospital and proposed MSCP and existing challenges, outlining the final activities required
4. **Ashburnham Road Technical Note Workshop Update:** EWR Co presented an update on the work done with BBC's consultant to review the Ashburnham Road technical note, and confirmed that a workshop will take place on 30 April in Milton Keynes to present the design evolution to Pick Everard
5. **Engagement Approach:** VQ requested EWR to replicate the engagement approach, as done with the car parking workshop, across the other disciplines
6. **Next Steps/AOB:** JK noted the consultation is live at the moment, and BBC want to have an informed response to the consultation rather than needing to clarify things from EWR.
