

## **NATIONAL AND LOCAL VALIDATION REQUIREMENTS FOR MINERALS AND WASTE PLANNING APPLICATIONS**

The following checklist is relevant to the following applications:-

- **An application for prior notification of agricultural or forestry development involving the excavation of mineral or deposit of waste material**

It is advised that a completed checklist be submitted with the application. It may also be used at pre-applications meetings when agreeing a list of validation requirements. Please see the accompanying guidance "*National and Local List of Information Requirements for Validation of Minerals and Waste Planning Applications within Bedford Borough*" for further information.
