

Data Protection Privacy Statement - Events database (Libraries)

In order to deliver services to the citizens and communities in Bedford Borough, it is necessary for the Council to collect, gather and process personal data about residents, staff and other individuals. Bedford Borough Council is committed to protecting your personal data when you use its services and/or correspond with it.

The Council has registered as a Data Controller with the Information Commissioner's Office. This registration can be viewed on the [ICO website](#) (opens in a new window) Registration Number Z5916725.

As a Data Controller, the Council sets out the purposes and methods for processing information and ensures safeguards over any personal and special category information it processes.

The sections below explain the arrangements we have in place to protect the information entrusted to the Council.

In relation to the events database (Libraries), Bedford Borough Council will process your personal data for the following processing purposes:

The Library Service (Bedford Borough Council) will use the data collected to publicise community events and activities in the Events Database. The personal data collected (name, telephone number and email address) is used by library staff only to contact you, it is not displayed online.

The data collected is:

Name

Telephone number

E-mail address

Event venue name

Event venue address

It is processing this personal data by virtue of the following Lawful

Basis: Performance of a task carried out in the public interest

Personal data provided for the purpose of enabling members of the community to publicise their events in the Events Database (Libraries) may be shared with, or obtained from the following organisations (in addition to any other disclosure required by a Court of Law or in response to a valid request by, normally, a law enforcement agency):

We will share your data with Axiell who are the Library Management System suppliers. The personal data will be stored on Axiell servers as they provide the system that our events database is built on.

The processing of your personal data will be restricted in time to:

3 months after the event date.

Your personal data will be held by/for the Council within the UK or the EU.

If it is held elsewhere it will be held as follows:

Axiell will always store data within the European Economic Area (EEA).

We have a range of measures to protect the personal data you provide. These include: cyber security; physical security of the Council's buildings and training on Data Protection for staff.

Bedford Borough Council is the Data Controller processing your information, who can be contacted as follows:
