

Data Protection Privacy Statement – Collecting and storing applicant details and where an agent is used their details as well for planning applications.

In order to deliver services to the citizens and communities in Bedford Borough, it is necessary for the Council to collect, gather and process personal data about residents, staff and other individuals. Bedford Borough Council is committed to protecting your personal data when you use its services and/or correspond with it.

The Council has registered as a Data Controller with the Information Commissioner's Office. This registration can be viewed on the [ICO website](#) (opens in a new window) Registration Number Z5916725.

As a Data Controller, the Council sets out the purposes and methods for processing information and ensures safeguards over any personal and special category information it processes.

The sections below explain the arrangements we have in place to protect the information entrusted to the Council.

In relation to collecting and storing applicant details and where an agent is used their details as well for planning applications, Bedford Borough Council will process your personal data for the following processing purposes:

It is a statutory requirement to include: the name and address of the applicant and where an agent is used their details as well on the public register which must be retained in perpetuity for anybody to inspect. The information is also held to respond to matters relating to the planning applications and to notify the planning inspectorate should an appeal be lodged.

Personal email addresses, telephone numbers and signatures are redacted from forms, the "How to Guide 6 (page 2) for Applicants / Agents" explains our policies on personal data

It is processing this personal data by virtue of the following Lawful Basis:

Compliance with a legal obligation

Personal data provided for planning applications by applicants, and where an agent has been engaged their details as well, may be shared with, or obtained from the following organisations, in addition to any other 'In perpetuity' disclosure required by a Court of Law or in response to a valid request by, normally, a law enforcement agency:

This information (i.e.name and address) is held as part of the statutory planning public register and is therefore available for anybody to inspect. The retention of this information is a lawful process. The information is also shared with the Planning Inspectorate (Secretary of State) and if a planning appeal is submitted, the Council has a lawful obligation to share this information with the public and the planning inspectorate.

The processing of your personal data will be restricted in time to: Indefinitely.

Your personal data will be held by/for the Council within the UK or the EU.

The information you have provided is a statutory or contractual requirement: this is something we have to do. Please see details below, including any consequences if we do not receive the information:

Statutory requirement to hold the data. If the name and address is not provided, we cannot accept a submission, because we cannot fulfil our statutory obligation of keeping the applicant/agent informed of decisions and appeals, for example.

We have a range of measures to protect the personal data you provide. These include cyber security; physical security of the Council's buildings and training on Data Protection for staff.
