

Data Protection Privacy Statement – MOT Bookings

To deliver services to the citizens and communities in Bedford Borough, it is necessary for the Council to collect, gather, and process personal data about residents, staff, and other individuals. Bedford Borough Council is committed to protecting your personal data when you use its services and/or correspond with it.

The Council has registered as a Data Controller with the Information Commissioner's Office. This registration can be viewed on the [ICO website](#) (opens in a new window) Registration Number Z5916725.

As a Data Controller, the Council sets out the purposes and methods for processing information and ensures safeguards over any personal and special category information it processes.

The sections below explain what data we are collecting and storing and the arrangements we have in place to protect the information entrusted to the Council.

Bedford Borough Council processes personal data for the administration of MOT bookings, including contacting individuals to arrange appointments, managing booking records and payment receipts, recording vehicle information for scheduling purposes, and ensuring appointments are arranged within appropriate timescales before a vehicle's MOT expires.

The personal data that will be collected:

- Name
- Addresses, including email addresses
- Telephone number
- Vehicle details
- MOT due date

Bedford Borough Council is processing this personal data by virtue of the following Lawful Basis:

Performance of a task carried out in the public interest - Article 6(1)(e) - This lawful basis applies when the processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller.

No special category data will be collected

The processing of your personal data will be restricted in time to: 13 months

Your personal data will be held by/for the Council within the UK or the EU. Where service providers store or access information from outside the UK, the Council will ensure appropriate safeguards are in place in accordance with UK GDPR.

The provision of this information is not a statutory requirement. However, it is necessary in order for Bedford Borough Council to provide the MOT booking service. If the required information is not provided, we may be unable to arrange or manage your MOT appointment.

The processing of your information does **not** involve automated decision-making.

The Council has appropriate technical and organisational measures in place to protect your personal data against unauthorised or unlawful processing, accidental loss, destruction or damage.

Bedford Borough Council is the Data Controller processing your information, who can be contacted as follows:
