Eligibility Code:

I confirm the named child is eligible for either; funding for Early Learning for 2 year olds and/or working family entitlement (from the term after 9 months of age). I authorise this provider to pass my details to Bedford Borough Council to allow checks for my eligibility for Early Years Pupil Premium (EYPP) or Pupil Premium (PP), enabling the appropriate funding streams to be paid to my provider. EYPP is paid to childcare providers to provide extra support for your child; it can be used to improve teaching and learning facilities and resources to impact positively on your child's progress and development. I have seen a copy of the Privacy Statement - www.bedford.gov.uk/gdprprivacy - EEEF.

I, the parent / carer understand:

- I am responsible for ensuring that my child uses the funded hours applied for on a regular weekly basis and understand that if my child does not attend on a regular weekly basis the funding may be withdrawn. A maximum of 10 hours may be taken in any one day, in ¼ hour (0.25) blocks and a maximum of 15 hours, or 30 hours if eligible, per week. A maximum of 2 providers can be used in one day. Hours may only be taken between 6am and 8pm. Any hours my child attends over the entitlement will be charged to me by the childcare provider.
- When my child starts reception, I cannot claim funding at any other provider if the school has a staggered start date.
- **Optional** additional services such as meals, snacks, drinks, trips and extra activities such as music, dance etc., are not covered by the EYE Funding and the provider can make additional, reasonable charges. Charges should be clearly shown on the provider's website or the Local Authority's website. If you are unwilling or unable to pay for optional extras, please speak to your childcare provider who should be able to provide alternative choices without impacting your child's care and education.
- I can expect to receive a clear and transparent invoice, showing funded hours and all expenses from my childcare provider
- If my child attends more than one provider, ALL providers, and the total number of hours I wish to claim at each provider, have been listed on this form.
- That if I opt to access the funding on a stretched offer, for the hours to remain the same each week, I must sign up for 1 year (3 terms), otherwise I may risk using all my entitlement before the end of the 3rd term. This could mean I may have to pay for any hours over and above the entitlement.
- If my child is starting school or a term time only setting and has previously had a stretched entitlement, I may not have enough entitlement for the last term of funding.
- If I cease to meet the working family eligibility criteria, I will continue to receive funding for the "grace period" only as long as I remain at the current provider.
- Funding may be withdrawn from a setting if the setting is 'requires improvement' or below for overall effectiveness or 'inadequate' for overall effectiveness or safeguarding is 'not met' from Ofsted.
- I agree that if my child's funded hours increase during the term, I will fill in and sign a new parent declaration form.
- If you are claiming funding with a childminder, we are unable to fund your child if they are a close relative of that childminder (grandchild, nephew or niece)
- If I have given any false information on this form, I may be asked to reimburse the provider. I confirm the details stated on this form are correct
