

Choose real nappies and claim £25 back!

This scheme has been set up to say thank you to parents who are using real washable nappies on their babies rather than disposables, helping to reduce the number of disposable nappies thrown away in the black bin.

When you spend over £50 purchasing reusable washable nappies, covers or training pants or subscribe to a nappy laundering service, **Bedford Borough Council will give you £25 back!**

To receive your **£25 cash back**, please complete the application form attached. You must also provide and attach to your claim copies of:

- Delivery confirmation (online purchases only) for example printed confirmation in the parcel, or email confirmation.
- Bank details, including your account name, account number and sort code.
- Proof of address. For example bank statement or Council Tax bill.

Please email these to:
