# Choose real nappies and claim £25 back!

This scheme has been set up to say thank you to parents who are using real washable nappies on their babies rather than disposables, helping to reduce the number of disposable nappies thrown away in the black bin.

When you spend over £50 on reusable washable nappies, covers, training pants, or a nappy laundering service, **Bedford Borough Council will give you £25 back!**

To receive your **£25 cash back**, please complete the application form attached which can be done electronically. You **must** also include copies of the following with your claim:

- **Proof of purchase** to a minimum value of £50. For example itemised shop receipt or emailed receipt for online orders.
- **Delivery confirmation** (for online purchases only), such as a printed confirmation included in the parcel or an email confirmation.
- **Proof of bank details**, a copy of bank statement which includes your account name, number & sort code.
- **Proof of address**, such as a bank statement or Council Tax bill.

Please email these to:
