

Data Protection Privacy Statement - Requesting titles that are not in library stock

In order to deliver services to the citizens and communities in Bedford Borough, it is necessary for the Council to collect, gather and process personal data about residents, staff and other individuals. Bedford Borough Council is committed to protecting your personal data when you use its services and/or correspond with it.

The Council has registered as a Data Controller with the Information Commissioner's Office. This registration can be viewed on the [ICO website](#) (opens in a new window) Registration Number Z5916725.

As a Data Controller, the Council sets out the purposes and methods for processing information and ensures safeguards over any personal and special category information it processes.

The sections below explain the arrangements we have in place to protect the information entrusted to the Council.

In relation to requesting titles that are not in library stock, Bedford Borough Council will process your personal data for the following processing purposes:

The Library Service (Bedford Borough Council) will use your data to action a request for a title that is not currently available in the library. You will log in using your card number and PIN and the details from your library account will be loaded into the form. The requested item details are submitted and the request is then processed.

Data collected or updated is: E-mail address.

It is processing this personal data by virtue of the following Lawful Basis:

Performance of a task carried out in the public interest

Personal data provided for requesting titles that are not in library stock may be shared with, or obtained from the following organisations (in addition to any other disclosure required by a Court of Law or in response to a valid request by, normally, a law enforcement agency):

We will share your data with Axiell who are the Library Management System suppliers. The personal data will be stored on Axiell servers as they provide the system that our in-house not in stock request process is built on.

The processing of your personal data will be restricted in time to:

The data is retained for 2 years after the request has been satisfied or cancelled.

Your personal data will be held by/for the Council within the UK or the EU.
If it is held elsewhere it will be held as follows:

Axiell will always store data within the European Economic Area (EEA).

We have a range of measures to protect the personal data you provide. These include: cyber security; physical security of the Council's buildings and training on Data Protection for staff.

Bedford Borough Council is the Data Controller processing your information, who can be contacted as follows:
