DATA PROTECTION

Personal information provided in an application form and during the period of any subsequent registration is normally held for the life of the registration/application. It will be used primarily for the purpose of the registration process associated to skin piercing, under the Local Government (Miscellaneous Provisions) Act 1982 although it may also be used for data matching purposes across various regulatory functions.

Personal information held for the registration process associated to skin piercing purposes will be held and used in accordance with the requirements of the EU General Data Protection Regulation (GDPR). To assist the Council in the prevention and detection of fraud so that it can protect the public funds it administers the Council may use information provided for regulatory purposes within this Authority for data matching purposes. It may also data match information provided for regulatory purposes with other public bodies that regulate, administer or are in receipt of public funds for the purposes of the prevention and detection of fraud.

FREEDOM OF INFORMATION / ENVIRONMENTAL INFORMATION REGULATIONS

Information held by the Council may need to be disclosed in response to a request for it within the terms of the Freedom of the Information Act 2000 and Environmental Information Regulations 2004. This information excludes that which is in any other way already in the public domain.
