## WING HERITAGE & ARCHAEOLOGY PROJECT

- Would you like to find out more about the history of Wing?
- And take part in an archaeological dig?

'All Saints Church' has Saxon origins  
But where did the Saxon people of Wing live?

We hope to answer this question, and others,  
through our: **Garden test pits**

This summer and autumn we are digging small test pits across  
Wing

**We would welcome the opportunity to put a  
small test pit in your garden  
And we want your help excavating the test pits**

## Home

Wing in Buckinghamshire has some of the oldest archaeological remains in the county. With the Saxon cemetery and Church, the "Castle Mound" the original Ascott House gardens and the Rothschild Ascott House, there is plenty to see.

Over the last 5 years the Group has been digging in the village and surrounding area as well as putting on exhibitions for residents and friends of the Group on Wing in WWI and WWII.

In 2015 we created three new committees, Archaeology, History and Family History. These have worked really well and we have achieved lots more than usual!

# Public Open Space Project

## LONG SPINNEY MARCH

Wed 2nd  
and Sun 6th  
1pm to 4pm

### The Jobs

- Tidying more debris to clear space for more tree planting
- Put in some more steps on steep slippery slopes.
- Improving the paths and drainage ditches

### Bring:

- Spades for step construction and ditching
- Saws / loppers / rakes for clearance and tree work
- Work gloves and Boots!

**Watch this space:** We are promised more trees for planting in March—we will let you know when they will be delivered for planting!

Any help you can give will be welcome—the more hands, the lighter the work and more fun had by all!

**We also need help with more administrative matters such as looking for grants or just walking the wood and reporting things that are wrong—contact the Parish Clerk or email [longspinneywing@gmail.com](mailto:longspinneywing@gmail.com)**
