NOTE – Publication of Personal Information

Although it is not our preferred practice to share personal information and only redacted versions of this Form and accompanying map will appear on Bedford Borough Council's website with personal details hidden, as legislation contained in Section 53B of the Wildlife & Countryside Act 1981 requires the Surveying Authority to keep a register of applications it is necessary to alert you to the fact that information contained in your completed Form will be made available via the register on the Council's website. Further, you should be aware that your completed form may be made available to other parties who have a right to see it under the Freedom of Information Act 2000. You should also be aware that a copy of your completed form will be included in the appendices to a report prepared by officers of the Council and may also be made available as part of a bundle of papers prepared for a future Public Hearing or Inquiry.

The data is collected by Bedford Borough Council Council ("the Council") in accordance with the data protection principles in the Data Protection Act 1998. The purpose for collecting the data is to carry out the functions of the Council under its statutory duties under the Wildlife and Countryside Act 1981. Information given by you on this Form may be disclosed to third parties as required by the Freedom of Information Act 2002 or in pursuance of the Council's functions detailed above.

KEMPSTON RURAL

FP A7

FROM:

Green End

TO:

West End

DESCRIPTION:

The path is a F.P. (Awarded).

It starts at Green End. Gap by field gate, the F.P. approx. 2 ft. wide exists appearing to belong to garden of private house and it is doubtful if this is used at all by the general public. There is an old stile at the back boundary fence but this has been obstructed (by an old bed rail). From this point there is only very slight evidence that a F.P. has existed. It follows hedge on its west side until F.P. joins F.P. A.8 and then turns westerly with hedge now on south side. The F.P. continues becoming very marshy in places until it connects with Gipsy Lane.
