- 1 Leaving Sporting Targets turn left along the road then take the BW45 and head north towards Harings Farm. At the top turn left.
- 2 The path diverts around Harings Farm buildings through the trees on your right (clearly marked).
- 3 Follow track right into Worley's Wood passing brick buildings on your left.
- 4 A concrete path takes you through the wood to a narrow exit into open farmland with views to Melchbourne Park.
- 5 Turn left and follow BWM13 downhill to the stream and pond. Cross the stream with the pond on your left and then turn left and proceed along BWM13 with the hedge on your right until you can see Oakley Hunt Kennels.
- 6 Here you can head up to the road on FPM17, turn left and then pick up BWM1 signed on track just after the Kennels; or follow the clearly marked and gated path through the kennels and field to BWM1.
- 7 BWM1 continues to your right before you reach Penn Wood on your left. (Green finger sign). Take the path into the field keeping the hedge on your right skirting around a small spinney before descending towards the Sporting Targets ranges.
- 8 Note: The path crosses the hedge line on the descent and is then enclosed between the hedge (now on your left) and set aside to the right. At the bottom there is a 5 - path intersection. Turn left onto BWM9 and continue with stream to your right. You will rejoin Knotting Lane by going through or around a small spinney and Sporting Targets will be in front of you.
