Dear Sonia,

Brickhill Parish Council wish to undertake a NDP. The parish council is a relevant body to make such an application for the purposes of section 61G of the Town and Country Planning 1990 Act. The area they wish to designate is the parish of Brickhill as outlined in red on the attached map. The parish council believe that this is an appropriate area to be designated as a neighbourhood area as all the residents and businesses within the parish boundary have an interest in future developments within it.

Kind regards,  
Sue
