**In order to ensure that an inscription will fit onto the glass leaf, please note the following information:**

1. The names are in a large typeface and take up more room on the leaf therefore only 20 letters are permitted on Name lines only (see LINE 2).
2. We will centre the inscription on the leaf, the guide box is only to aid your choice of inscription.
3. Don't forget to include spaces in your inscription. A space counts as a letter or number. The inscription must be clearly written in block capitals.
4. We are unable to accept responsibility for any incorrect inscription due to illegible or ambiguous writing.
