Dear Sonia

## **RE: DESIGNATED NEIGHBOURHOOD AREA**

I am now attaching the parish map of Wilshamstead which I hope will allow for the commencement of the consultation. The Parish Council wish to designate an area to be the whole parish in order to safeguard the current character of the village and the integration of future communities in the village and its surrounds.

The Parish Council also can confirm they are a relevant body for the purposes of Section 61G of the 1990 Act.

Yours sincerely

**E. Barnicoat**
